

ABOUT THE INSTITUTION:

Mailam Engineering College (MEC), a self-financing institution started in 1998, offers quintessential technical education in 6 undergraduate programmes in B.E./B.Tech and 6 postgraduate programmes in M.E./MBA and MCA. The college is approved by AICTE, New Delhi and affiliated to Anna University, Chennai. The college is accredited by the IT giant, TATA Consultancy Services, which is recruiting our students in large numbers every year.

In addition to providing a tranquil and pleasant atmosphere for the pursuit of technical education with separate block for all departments the college abounds with highly qualified, experienced and competent faculty members with a zeal of excellence and commitment for uncompromising quality education. With more than 3700 students passionately pursuing their professional course in the college, MEC enjoys the privilege of having the largest intake of students in first year B.E/ B.Tech approved by Anna University in Villupuram district.

ABOUT THE DEPARTMENT:

The Department of Mechanical Engineering was established in the year 1998 during the inception of the college and is one of the prime departments of our college. It offers UG (Mechanical Engineering) and PG (Engineering Design) with well-equipped laboratories with a team of dynamic faculty members, supporting staff and students. The department has produced 3 Gold medals in PG (Engineering Design) and university ranks in UG. Our department is continuously striving to achieve excellence in academic and industry oriented research along with consultancy work. We aim to provide our students a perfect blend of intellectual and practical exposure that will help them to serve our society.
