### ABOUT THE INSTITUTION

Mailam Engineering College is a self-financed educational institution run by Mailam Subramaniva Swamy Educational Trust since 1998. The college is approved by AICTE & affiliated to Anna University, Chennai. The college is accredited by NAAC and the IT giant, TATA Consultancy Services, which is recruiting our students in large numbers every year. In addition to providing a tranquil and pleasant atmosphere for the pursuit of technical education with separate block for all departments, the college bounds with highly qualified, experienced and competent faculty members with a zeal of excellence and commitment for uncompromising quality education. Around 3000 students passionately pursuing their professional courses in the college, MEC enjoys the privilege of having the largest intake of students in the first year B.E/B.Tech approved by Anna University in the District of Villupuram.

#### ABOUT THE DEPARTMENT

The Department of Electrical & Electronics Engineering was started in the year 1998 and offers UG program in Electrical & Electronics Engineering and PG program in Power Electronics and Drives. The department has highly qualified, dedicated and efficient teaching and non-teaching staff members. Laboratories such as Electrical Machines Lab. Power Electronics and Drives lab. Control System Lab and Power System Simulation Lab are well equipped and designed in such a way to provide an industrial environment to the students. The main objective is to develop the department into a center of excellence in the broad area of Electrical Engineering, so as to provide a world class education to students and to promote innovative research and development.
