INTERNAL QUALITY ASSURANCE CELL

REPORT 2021-2022

ANNUAL REPORT (2021-22) - IQAC

VISION

To bring forth prosperity through modern technology by means of imparting value based education, innovation and become a world class technical institution.

MISSION

- To provide necessary Technical Skills through excellent standards of quality education, keeping pace with ever changing technologies
- To bring students together to be trained in leadership skills, engage in activities that promote ethical manners, exhibit social liabilities and inspire a dedication to excellence.
- To develop the spirit of entrepreneurship among the students through entrepreneurial awareness campaign, training and research and development , etc.,

INTERNAL QUALITY ASSURANCE CELL (IQAC)

IQAC in the institution was established in the academic year 2017 with an assessment to initiate, plan and monitor different activities which are important to maintain and improve the quality of education imparted, and also well defined in the quality policy of the institution. IQAC focuses on quality enrichment of teaching, learning, evaluation, research, extension and consultancy opportunities. The IQAC meets periodically to review the progress of the institution and its quality enhancement based on the criteria directed by the National Assessment and Accreditation Council (NAAC) and suggests actions for strengthening the quality of academic programmes further and ensures the quality through continuous monitoring.

FUNCTIONS AND RESPONSIBILITIES OF IQAC

- Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution
- Developing ethical work culture in the institution
- Plays a vital role in the Institute for coordinating various activities ensuring quality including adoption and dissemination of best methods and practices
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process
- Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes
- Dissemination of information on various quality parameters of higher education

- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles
- Documentation of the various programmes / activities leading to quality improvement
- To plan and advice the Governing body on infrastructure and facilities
- Act as a dynamic system for quality changes in the college
- Development and maintenance of institutional database through MIS for the purpose of maintaining/enhancing the institutional quality
- Development of Quality Culture in the institution

STRATEGIES

IQAC shall evolve mechanisms and procedures for:

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks
- The relevance and quality of academic and research programmes
- Equitable access to and affordability of academic programmes for various sections of society
- Optimization and integration of modern methods of teaching and learning
- The credibility of evaluation procedures
- Ensuring the adequacy, maintenance and functioning of the support structure and services
- Research sharing and networking with other institutions

BENEFITS

- Ensure heightened level of clarity and focus in Institutional functioning leading towards quality enhancement
- Ensure internalization of the quality culture
- Ensure enhancement and coordination among various activities of the Institution

F. No. 33-228/2010-NBA

Dated: 13.07.2021

To
The Principal
Mallam Engineering College,
Mallam, Tindivanam TK,
Vilupuram-624304, Tamil Nadu

Subject: Grant of accreditation for one year in respect of UG Engineering programs in Tier II offered by Mallam Engineering College, Mallam, Tindivanam TK, Vilupuram-624304, Tamil Nadu on the basis of Compliance Report.

Sir,

This is regarding Compliance Reports submitted by **Mallam Engineering College, Mallam, Tindivanam TK, Vilupuram-624304, Tamil Nadu** for the UG Engineering programs which were accredited by NBA in Tier-II for the academic years 2018-19 to 2020-21 and whose validity of accreditation has expired on 30.06.2021.

2. The National Board of Accreditation (NBA) has decided that in all cases of UG Engineering programs which were accredited in Tier I/Tier II for the Academic Years 2018-19 to 2020-21 i.e. up to 30-06-2021 and for which the concerned institutions have submitted Compliance Reports, but the visit of Expert Team for data verification of the programs is pending because of the current pandemic situation due to Corona virus, the programs will be considered for accreditation of one year i.e. up to 30-06-2022 after data verification of the programs internally on the basis of the submitted Compliance Reports. The data submitted by **Mallam Engineering College, Mallam, Tindivanam TK, Vilupuram-624304, Tamil Nadu** in the Compliance Reports has been examined and verified in NBA. Based on the same, the Competent Authority in NBA has approved the following accreditation status to the programs as given in the Table below:

| Sl. No. | Name of the Program(s) (UG) | Basis of Evaluation | Accreditation Status | Period of validity | Remarks |
|---------|--------------------------------------|----------------------------------|----------------------|--|---|
| (1) | (2) | (3) | (4) | (5) | (6) |
| 1. | Computer Science & Engineering | Tier II June 2015 Document | Accredited | Academic Year 2021-2022 i.e. up to 30-06-2022 | Accreditation status granted is valid for the period indicated in Col. 5 or till the program has the approval of the competent authority, whichever is earlier. |
| 2. | Electrical & Electronics Engineering | | Accredited | | |

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **Mallam Engineering College, Mallam, Tindivanam TK, Vilupuram-624304, Tamil Nadu** as a whole. As such the institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.
