VALUE ADDED COURSE POLICY

1. Introduction

Value-Added courses are part of the curriculum designed to provide necessary skills to increase the employability quotient and equipping the students with essential skills to succeed in life.

Mailam Engineering College offers a wide variety of Value-Added Courses which shall be conducted on holidays or after class hours. These courses shall be conducted by experts or in-house staff and help students stand apart from the rest in the job market by adding further value to their resume. This value -added courses will be mostly independent to each type of the fields.

2. Objectives

Objectives of the Value-Added Course are:

- To provide students an understanding of the expectations of industry.
- To improve employability skills of students.
- To bridge the skill gaps and make students industry ready.
- To provide an opportunity to students develop their inter-disciplinary skills.
- To mould students as job providers rather than job seekers.

3. Designing the Courses

- Before designing the syllabus, the feedback from the employers, alumni and industry people will be analyzed and considered to select and design an appropriate course by identifying the gaps.
- Apart from these discussions may also be held with the employers, alumni and industrial experts to understand the expectations for current and emerging trends.
- Any new Value-Added Course developed by a Department should be placed before the Board of Studies and approved by the Academic Council.
- The course offered should not be the same as any course listed in the curriculum of the respective program/ or any other program offered in University Departments.
- A unique course code is to be given for each course.

4. Guidelines for conducting value added courses

- Value Added Course is not mandatory to qualify for any program.
- It is a teacher assisted learning course open to all students without any additional fee.
- Classes for VAC will be conducted during the RESERVED Time Slot in a week or beyond the regular class hours.
- The value-added courses may be also conducted during weekends / vacation period.

Approved by AICTE, New Delhi, Affiliated to Anna University, Chennai and
Accredited by National Board of Accreditation (NBA) & TATA Consultancy Services (TCS)

- A student will be permitted to register only one Value Added Course in a Semester.
- The students may be allowed to take value added courses offered by other departments after obtaining permission from HoD of the Department offering the course.

5. Duration and Venue

- The duration of value-added course should not be less than 30 hours.
- The Coordinator shall provide class room/s based on the number of students/batches.
- The VAC shall be conducted in the respective Faculty itself.

6. Procedure for Registration:

The Circular circulated to the students and also displayed in the notice board. A student shall enroll for a Value-Added Course to the Coordinator. The Head of the Department shall segregate according to the choice opted and send it to the Faculty offering the particular Value-Added Courses.

7. Attendance

Each faculty handling a course shall be responsible for the maintenance of Attendance and Assessment Record for candidates who have registered for the course.

- The Record shall contain details of the students (enrolled list), attendance, marks obtained in the Internal Assessment Tests.
- The record shall be submitted to the Head of the Department for monitoring the attendance and syllabus coverage.
- After completion of Value-added Courses, the record shall be duly signed by the Course Instructor/Coordinator and the Head of the Department and placed in safe custody for any future verification.
- Each student shall have a minimum of 75% attendance in all the courses of the particular semester failing which he or she will not be permitted to provide Course completion Certificate.
- Relaxation of attendance requirement up to 10% may be granted for valid reasons such as illness, representing the University in extracurricular activities and participation in NCC.

8. Passing Requirement and Grading

- The passing requirement for value added courses shall be 40% of the marks prescribed for the course.
- A candidate who has not secured a minimum of 40% of marks in a course, shall insist that particular students to reappear for the course in the next semester/year.
- The Marks obtained in VACs will not be included for calculating the CGPA.
