

## **BEST PRACTICE – NSS**

### **1. Title of the Practice**

NSS Best Practices Report for NAAC Accreditation

### **2. Objective of the Practice**

The **National Service Scheme (NSS)** unit of an institution is a student-centric initiative aimed at promoting community service, leadership, and social responsibility among young learners.

The NSS unit organizes activities such as awareness campaigns, cleanliness drives, blood donation camps, tree plantation, disaster relief efforts, and educational workshops, addressing diverse social issues. Participants engage in hands-on projects that cultivate empathy, teamwork, and a sense of social accountability.

### **3. The Context**

Students at Mailam Engineering College are trained to aim at promoting community service, leadership, and social responsibility among young learners. Established under the Ministry of Youth Affairs and Sports, Government of India, the NSS fosters a sense of involvement in the task of nation-building through various community-based activities and outreach programs.

### **4. The Practice**

The Institution strongly believes in organizing activities such as awareness campaigns, cleanliness drives, blood donation camps, tree plantation, disaster relief efforts, and educational workshops, addressing diverse social issues. Participants engage in hands-on projects that cultivate empathy, teamwork, and a sense of social accountability.

Through its motto, “**Not Me, But You,**” the NSS emphasizes the spirit of selfless service and the significance of individual and collective action for societal progress.

**Name of the Programme: Anti-Drug Awareness**

**Date: 12-08-2023**

**Place: Mailam Village**

An anti drug awareness programme was organized by our NSS volunteers, the programme was inaugurated by our College Principal, Dr. R. Rajappan. The team of doctors from Mailam primary health center and a team Police officers from Mailam explained the risks, consequences, and dangers associated with drug use, as well as fostering prevention and education efforts to combat substance abuse. First and foremost, drug awareness emphasizes the importance of understanding the various types of drugs and their effects on the mind and body. It provides information about both legal and illegal substances, including alcohol, tobacco, prescription medications, and illicit drugs, such as cocaine, heroin, and methamphetamine. By being knowledgeable about these substances, individuals can make informed decisions and avoid potential harm. Also they advised the volunteers to use this camp as a learning opportunity by serving the nation. Vote of thanks of thanks was given by the NSS volunteer Karthigayan I.S. Programme officer.

Yoga and Meditation programmes were organized for the Govt. school children and NSS volunteers. Mr. Asathambi from Vazhaga Vaaramudan group has motivated the young minds by narrating the benefits of Yoga and created awareness about the Yoga, how to practice Yoga and its benefits. Nearly 100 school children participated eagerly and learnt yoga. The NSS volunteers along with the School students practiced Yoga, which is very helpful for increasing their concentration in studies.
